Our challenge

Patrem Claudi Caesaris Drusum, olim Decimum mox Neronem praenomine, Livia, cum Augusto gravida nupsisset, intra mensem tertium peperit, fuitque suspicio ex vitrico per adulterii consuetudinem procreatum. Statim certe vulgatus est versus:

Prove your knowledge

Is Drusus in quaesturae praeturaeque honore dux Raetici, deinde Germanici belli Oceanum septemtrionalem primus Romanorum ducum navigavit transque Rhenum fossas navi et immensi operis effecit, quae nunc adhuc Drusinae vocantur.

Hostem etiam frequenter caesum ac penitus in intimas solitudines actum non prius destitit insequi, quam species barbarae mulieris humana amplior victorem tendere ultra sermone Latino prohibuisset. Quas ob res ovandi ius et triumphalia ornamenta percepit; ac post praeturam confestim inito consulatu atque expeditione repetita supremum diem morbo
